- Choose a character
 - Explain how they have changed or developed over the past few scenes
-

Most companies and organizations have mission statements. Take a look at a few examples and then **write a personal mission statement.**

Explain why you chose that statement.

Google: "Google's mission is to organize the world's information and make it universally accessible and useful."

Starbucks: "To inspire and nurture the human spirit - one person, one cup, and one neighborhood at a time."

Walmart: "We save people money so they can live better."
