

Podcast Enhancing Strategies!

- Practice Reading your script with a partner from your group!
- Give feedback!

Script

- Does your speech include all of the details?

- Is it easy to follow?

- Is there anywhere where it needs more description so your listeners can follow along?

- Is there anywhere where you could repeat things or connect ideas?

- What does your listener walk away with?

Speech Delivery

- Is your voice soothing? Is it monotone?

- Is your pace too fast or too slow?

- Are there any songs and/or sound effects you could add to improve your podcast?
