### Improving the Discussion

1. What's one area that you would like to work on during this discussion? What's one area that the whole class should work on?

- *For example:* preparation, listening, frequency of participation, quality of contributions, or impact

2. How are you specifically going to target that area during this discussion?

- *For example:* ask at least one question, try to build off someone's comments, encourage other participants to speak, etc.
